

# Muscatine Girls' Softball Association

## LOCAL LEAGUE RULES

**All rules as stated in the current USSA rulebook shall apply, except as amended by these Local League**

**Rules. PHILOSOPHY:** This Leagues philosophy is to develop the fundamental skills of beginning ball players. The focus of this league should be to foster the girls' love and enjoyment of the game of softball. Competitiveness and who wins or loses should be secondary to having fun and enjoying the experience.

## ORGANIZATION RULES

1. The ruling body of the Muscatine Girls Softball Association (MGSA) league will consist of a minimum of five members and a maximum of thirteen. The Board of Directors will always have an odd number and a quorum will be one more than half of current members. The Board will choose the President, Vice-President, Secretary and Treasurer.
2. The annual Meeting and election of Board Members will be in September/October (depending on the end of the fall ball season) as designated by the President. The first Annual Meeting of the year will be posted on the Official MGSA website two weeks prior to the meeting date. Meeting notice will also be shared on Facebook.
3. Any person present at the fall meeting, who is eighteen years or older and out of high school is eligible to vote and hold office in the MGSA.
4. Any member of the MGSA Board of Directors who misses three meetings in a twelve-month period starting with the September/October annual meeting will be reviewed by the Board of Directors and may be removed from the Board of Directors by a 60% majority vote by the remaining Directors.

A quorum must be present at all meetings other than the annual meeting where motions are made, voted, and adopted.
7. There is to be a league organizational meeting held the Sunday night prior to the city tournament to discuss the business at hand and to distribute necessary information. This meeting may be replaced with a mid-season meeting with Coaches.

## OPERATING RULES

1. Each member of the Coaching staff must return to the Board of Directors a copy of this CODE OF CONDUCT AND BACKGROUND CHECKS before the first game of the season.
2. A Coach refusing to play for any reason, other than not having enough players or the conditions of the field is questionable, is suspended immediately and is up for review by the Board of Directors and game will be automatically forfeited.
3. A written or verbal reprimand to a coach is a warning that survives the ball year and the following season. Two written or verbal reprimands in one ball year are grounds for immediate suspension by the Board of Directors.
4. The outcome of the regular season play will determine the Tournament bracket. The league will give first place trophies, second and third place ribbons to all Divisions for Tournament play.

## **OPERATING RULES (continued)**

5. The MGSA will conduct a Double Elimination City Tournament at the end of the season for the Bantam, Junior, and Senior Leagues. There will be a single elimination tournament for the starter Division.
6. The Board of Directors has the power to change or cancel the city tournament as they see fit if necessary due to unforeseen circumstances such as weather, emergency, etc.

### **Zero Tolerance Policy**

Youth sports are a fantastic opportunity for a child to build self-esteem and learn fundamental skills. It is also an opportunity for adults to become positive role models and to teach the value and importance of good sportsmanship.

Our Priority is development not winning. Our philosophy is long term player development, and again, **winning is not the goal.** Muscatine Girls Softball Association wants you to enjoy the great game of softball, and we are providing this information to assist you and your child in gaining a greater understanding of player development and the game of softball.

The increase in aggressive and violent behavior towards referees during events had forced the MGSA to adopt a ZERO TOLERANCE POLICY. This policy applies to all Umpires, Coaches, Players, Parents, and all other supporters effective immediately. Drinking alcohol, smoking or use of illegal substances is prohibited during practices and games. Abusive and obscene language, violent play, violent conduct, fighting and other behavior, including but not limited to sarcasm, taunting, etc. will NOT be tolerated during any event. It is the responsibility of the Coaches to provide referee support. This policy will always apply prior to, during and after the practice or game, and its immediate surrounding areas. MGSA will be assessing each incident on an individual basis.

## **PARENTS AND SPECTATORS**

No Parent or other spectator shall persistently address the Umpire or Assistant Umpires at any time.

This includes but is not limited to:

Spectators shall not make derogatory comments to players of either team.

Spectators shall not dispute calls during or after the game.

Spectators shall not advise the umpire to watch certain players or attend to rough play.

Spectators shall not yell at the umpire, EVER, including criticism, sarcasm, harassment, intimidation, discriminatory comments, or feedback of any kind before, during or after the game.

Below are some simple rules you should observe. **PLEASE CONSIDER THEM CAREFULLY!**

1. Do Not shout instructions to your child. This only causes confusion since the coach has already instructed your child on how to play. If you do shout instructions, your child will probably try to please you and the Coach at the same time. In trying to do two things at one time, the child becomes unable to manage her loyalties and ends up pleasing neither parent nor coach.
2. Cheer for your child when she plays well. However, remember that your child is a member of a team. Let the other players know you support them too.
3. Suffer in silence (or moan softly) whenever something occurs that goes against your child's team. A display of anger may inflame a delicate situation resulting in embarrassment for you or your child. Some parents embarrass their own children by making a spectacle of themselves.
4. Find a comfortable place to sit down or stand; Relax and enjoy the game.
5. DO NOT shout insults or verbally abuse the Umpire. It is hard for a child to learn respect for the Umpire or other officials when their parents set a poor example. The Umpire can and will stop the game if the crowd becomes discourteous.
6. Set the tone for good sportsmanship by adopting a positive attitude if your team loses. Compliment your child on her good plays, hits, catches, hustle, communication, positive attitude and ignore the mistakes. Your child will be happy you noticed her good qualities.

## **ZERO TOLERANCE- Parent and Spectators (continued)**

**Remember-**Your child will forget about today's game. Next week she will probably have forgotten the score. However, both of you will remember the fun time the child had playing.

The only allowable exceptions to the above are:

1. Spectators may respond to an Umpire who has initiated a conversation with a parent or spectator.
2. Spectators may point out an emergency or safety issue, such as a player down on the field or observed lightening.

## **COACHES**

It is the responsibility of all the Coaches to maintain the highest standards of conduct for themselves, their players and supporters in all practices and games. Failure to do so undermines the Umpires authority and the integrity of the game, resulting in a hostile environment for Players, Umpires, Coaches and Spectators. As role models for all the participants and spectators, Coaches participating in MGSA events are expected to be supportive of, and to applaud the effort, good play, and sportsmanship on the part of ALL Players from either team. By example, Coaches are expected to show that although they are competing in a game, participants always have respect for the opponent, Umpires, and spectators.

MGSA will NOT tolerate any negative behavior exhibited either by demonstrative actions and gestures or by ill-intentioned remarks, including those addressed toward the Umpires, opposing players or Coaches will be subject to penalties that may be imposed.

Coaches shall not address the Umpire during the game except to:

1. Respond to an Umpire who has initiated a conversation
2. Point out emergency or safety issues
3. Make substitutions
4. Ask the Umpire to repeat a call (this should be infrequent)

## **PENALTIES**

If any game is interrupted because of behavioral issues, involved parties will have to comply with the MGSA board. Depending on the gravity of the incident, various suspensions may include the following disciplinary actions by the Board:

- Automatic Suspension of 1-10 consecutive game(s) and placed on probation for the rest of the current season and all the following season.
- Any physical confrontation will result in immediate removal from the program.

**Play with integrity:** One of the most essential lessons a child can learn from youth sports is to follow the rules. Make sure your team understands the rules and doesn't break them, even if they can get away with it.

**Respect the officials:** It is important to teach not only our young athletes but also our Parents and Coaches to respect the Umpires. Our kids have a watchful eye and take notice when parents and Coaches are disrespectful.

**Be a good sport:** This means doing what we can to lift our teammates up and help them reach their potential. Being a good teammate means also being a good person on and off the field regardless of the outcome.

**Maintain self-control:** Keep your cool, have a positive attitude and do not overreact during practices or games. Be encouraging of other players.

**Let the Coaches coach:** Avoid chiming in with your coaching advise for the team, or other parents. Let those in charge run the practices and games.

## **Coach Selection Procedure**

Coaches, new or replacement, will be selected and screened by a selection committee. The committee shall consist of the President, Vice-President, Secretary, Treasurer, and any available Board Members. The committee will use the following guidelines to determine their selection.

## **Coach Selection Procedure (continued)**

3. Any girl who misses three practices, without giving good reason prior to the start of such practices, should be reported to the Board of Directors. Coach should contact the player or parent and league rep by phone call, text message, email, or letter after second absence. The Board, after the third absence will meet with the girl and her parents and if an appropriate solution cannot be worked out, the player will be dropped from the team.
4. **Uniforms-** Players are not allowed to participate in any game unless they are wearing appropriate jerseys, black pants (or black shorts only Starter League) long solid black socks, shoes (cleats or tennis shoes) **\*NO METAL**. This is both a safety issue and a courtesy to our sponsors to keep professional appearances.
5. **Jewelry-** Positively NO JEWELRY will be allowed. The only exceptions to this rule are Medical Alert Bracelets with Doctors Note Provided and recently pierced ears with small post earrings that must be taped over. Jewelry is also defined as any piercing. This includes but is not limited to all body piercings, necklaces, rings and bracelets. This is for safety purposes.
6. A player who is pregnant is not eligible to participate. Knowledge of such a situation should be promptly reported to the Board of Directors for immediate intervention. Any official who is pregnant should promptly report to the Board of Directors for a Modified Role.

## **BID OFF POLICY AND PROCEDURE**

- i. The MGSA understands that any time a group of people are picked as a team, the possibility is present for personality conflicts to happen. Our main interest is to provide girls, ages 6-18, with a place to play, learn and enjoy the game of softball.

### **PLAYER ELIGIBILITY- Bid Off Policy (continued)**

- ii. To avoid some of these conflicts, we allow a player **ONCE** during her entire eligibility, the opportunity to bid off the team she played on the previous season. Since it is a one-time option, however, careful consideration should be given before using it.
- iii. This is not a to be used because you feel your team will not be any good this year. This policy has been established for real conflicts between players and coaches.
- iv. A player wishing to “Bid Off” must submit a letter signed, by their parent(s)/guardians(s) stating the reasons for wishing to “Bid Off.” This must be in the hands of the Board of Directors before player evaluations.

### **SIGN-UP AND DRAFT**

- 1) Sign-up days for all girls will be two consecutive Saturdays and one or more weeknights between these two Saturdays in February/March. These dates may be changed or amended annually by the Board of Directors.
- 2) After sign-up is complete, a full roster of eligible players to be drafted will be available to each coach.
- 3) Those girls who signed up and who make a High School Team (at any level) will be allowed a full refund of their registration fees if their request is made before the first game of the regular league season.
- 4) Players will indicate at time of sign-up if they are a Travel player. Travel players will be noted on draft roster prior to tryouts. (Depending on number of travel players on teams, limits may be set by the board, to spread these players evenly through-out the division)
- 5) All Bantam, Junior and Senior girls not already assigned to a team must attend one of two player evaluation sessions. The player evaluation sessions will be divided into two groups. Player evaluation times may be amended by the Board to accommodate the number of girls needing to be evaluated. Players not in attendance at one of the player evaluation sessions will be picked at the end of the regular draft in order of the draft order. **\*NO EXCEPTIONS\*** (if there are more than one non-attending players, their names will be placed in hat and drawn in order of draft)
- 6) The draft for all three divisions will be held after player evaluation sessions are complete.
- 7) Each team may have one assistant coach whose daughter will be an automatic first round selection in the draft. If that player or any of her sisters is a member of that team no other assistant coach’s daughter will be allowed to be an automatic draft selection unless approved by the Board of Directors. Immediate family members include daughter, stepdaughter, granddaughter, or step-granddaughter. Immediate family members other than daughters of coaches will be automatic third round selections. If more than one family member is in the draft, they will be fourth, fifth, etc. selections.
- 8) Head coaches must declare their assistant coach before draft begins. All coaches/helpers must be approved by the Board of Directors, criminal background checks and all Safe Sport videos and tests concluded before they are allowed on the field. Assistant coaches’ daughter is not an auto add to the team roster. They can be added to the team at the cost of the draft pick.
- 9) Sisters of returning roster players will be automatically assigned to the same team with no draft penalty. This also applies to sisters in the draft. (When one sister is picked, the other sister also goes to the picking team.) All sister combinations must be picked prior to the last round of the draft. **EXCEPTION:** If the parent/guardian requests that sisters be placed on separate teams, that request will be honored.
- 10) Daughters of sponsors are added to the team roster automatically with no draft penalty.
- 11) Returning players are expected to play for the same team as the previous year (subject to age restrictions) unless they have met the requirements for “bidding off.”
- 12) Players for the draft will be those players who have signed up as of the last designated sign-up date or as established by the league.

In case of an expansion team: The expansion team will first draft a number of players equal to 80% of the average number of returning players on team rosters in that division, but not more than the number of players on the returning team with the least number returning. The teams will have to draft three players

### **SIGN-UP AND DRAFT (continued)**

from each age group before a fourth player from one age group may be drafted. The expansion team will then draft in the last position for the remainder of the draft.

Pitcher and Catchers selection: This will apply to Bantam, Junior, and Senior divisions. Teams will list their known Pitchers and Catchers, if a team does not have a pitcher and catcher and coaches agree, then a bonus Pitchers round will be held prior to first round. This will be held in draft sequence. This is to ensure an even distribution of pitchers and catchers to make a more competitive league.

- 13) The order of the draft will be figured on the percentage of the win-loss record of the season. Forfeits will be a 1-0 score with the forfeiting team receiving the loss. Draft will be held in reverse order of the team's finish. Example: Team with the highest winning percentage will draft last. Team with the lowest winning percentage will draft first. In case of identical percentages, head-to-head runs given up, then coin toss for teams involved with identical percentages.

Each team in all five divisions shall be limited to no more than five players of each age. The limit will be enforced with the following exceptions:

- i) Rosters of returning players, including automatic picks/assignments. Also, if division only has two ages in it (i.e., Starter League is 6- and 7-year-old).
  - ii) If during the draft, no players of the other ages are available.
  - iii) Players assigned randomly at the end of draft.
  - iv) New players assigned to teams after completion of the draft.
- 14) Bonus picks: Bonus picks are awarded in the draft sequence. After 2 complete rounds, a bonus pick will be awarded to each team that does not have at least ten players. After 3 complete rounds, a bonus pick will be awarded to each team that does not have at least eleven players. After 4 complete rounds, a bonus pick will be awarded to each team that does not have at least twelve players.
- 15) "Swapping" of players after they have been drafted is not allowed!

Umpires that are eighteen and still playing in the current season are unable to Umpire Senior Division.

The Home Team is the official book and will turn in score and all game information (using provided Score Sheets) to the MGSA President. This applies to ALL divisions. \*Names (First and Last) of all Players, Starting Pitcher and Catcher, anyone with two or more hits and all Home Runs. Failure To report games by the home team will result in a reprimand by the league to the offending Coach. - 30) There will be no warning given for leading off early. The girl will be called out- in all divisions.

- 31) Any Board Members not involved in the present game can eject a coach(s) or player(s) for breaking any League Rule.

### **Starter Division Rules**

**Ball Size-** An 11 Inch Ball will be used

**Pitching-** A Coach Pitch will be used in the Starter League. The Coach or designated Pitcher will have a bucket of 5 balls for each batter. The pitched ball not hit will be collected by the ump. Each Batter will have 5 chances at hitting the ball. The Coach/Pitcher must move quickly out of the way of a batted ball to not interfere with the defensive players. The Coach/Pitcher may offer brief instruction to the batter from the Pitchers Circle (these instructions should not delay the game.) For their safety, the defensive player in the pitching position will not play directly behind the Coach/Pitcher so that they will be able to see the batted ball. They should be positioned to either side and slightly behind the Coach/Pitcher within the Pitching Circle. \*Parents can Volunteer to be a Pitcher (for both teams).

**Fielders-** Must rotate all players each inning (**Infielders**) With the exception of the pitcher, all infielders must be positioned in their appropriate locations on the field. Standard USSA measurements/positioning can be found in the USSA Rulebook. (**Outfielders**) Four Outfielders will be used. All outfielders must be positioned in the grass, unless on Diamond #1 and #12. They may be positioned 2 steps (approx. 5ft.) in from the grass but must be positioned behind infielders.

**Good Hit-** If Batter has a good hit, they have the option to run to 2<sup>nd</sup> base if possible (no play is being made). Once the ball is thrown into the infield (whether it is caught or not) the batter will stop at 2<sup>nd</sup> base. If the next batter up also has a good hit, the runner on 2nd base does have the opportunity to score (if possible). A Runner or Runner/Batter may advance 2 bases on a hit ball considered a good hit. This rule is to encourage runner to begin to understand rounding bases and encouraging fielders to 'hustle' after a ball. \*Good Hit Definition\*: Any ball hit that gets past an infielder without being touched and enters the grass of the outfield.

**Bunting-** No bunting will be allowed. There is no minimum distance a ball must travel; however, the batter must take a full swing.

**Stealing-** No stealing will be allowed. A Runner may advance ONLY ONE base as a result of a hit ball. (Unless deemed a Good Hit) A Runner may not lead off until the ball is pitched. We highly encourage leading off in this League.

**Roster-** Must be in alphabetical order.

### **Bantam Division Rules**

**Ball Size-** An 11 Inch Ball will be used.

**Pitching-** The Pitching Distance will be 35 feet. A pitcher can pitch for two consecutive innings per game (they do not need to be consecutive). They may pitch a third inning after 2 other innings have been pitched. Purpose of this rule is not to hinder teams, rather to encourage the development of more pitchers.

**Catching-** All catchers must rotate every inning. Catcher may not catch consecutive innings. No pulling Catcher unless injured.

**Fielders-** Must Rotate Players (Infield/Outfield)(Outfielders) Four Outfielders will be used. All Outfielders must be positioned in the grass, unless on Diamond #1 and #12. They may be positioned 2 steps (approx. 5ft.) in from the grass but must be positioned behind infielders.

**Courtesy Runner-** The Bantam Division will use a modified courtesy runner rule. The courtesy runner for the Pitcher and Catcher will be the previously available Batter not on base, if it is not the Pitcher or Catcher.

**Dropped Third Strike-** NOT in effect. The Batter will be declared out after third strike.

**Base on Balls-** After a Batter receives four balls, no base will be taken. They will then receive 3 Coach pitches. The Umpire will not call Balls or Strikes when the Coach pitches, rather, the Umpire will only count 3 pitches after which the batter will be considered out if she does not hit. If the player is hit by a coach pitched ball, she will NOT be allowed to advance to first base. The pitch will count as one of the coach pitches. The Umpire will simply declare it a dead ball.

**Stealing-** The Bantam Division will use modified Stealing Rules. Home plate IS available to steal. Runners may steal 1 base PER PITCH. (If the Defense tries to make a play, the ball is then LIVE and the Batter/Runner may steal until she is either put out or an attempt is made to get the ball to the pitcher,{even home plate.})They may be put out in between bases. If they advance beyond the 1 base per pitch, they will be returned to the correct base after the Pitcher gets the ball back from the Catcher. During Coach Pitch, the players are not allowed to steal.

**Intentional Walk-** No Intentional Walks Allowed. No Exceptions!

**Fair Play-** There are no limits on how many bases a Batter may take after hitting a fair ball. If there is an overthrow made to first base, the runner may only be able to advance to second base.
